

Brockville High School crews attended the annual Mother's Day regatta in St. Catharines this past Sunday. After having our own regatta cancelled due to poor weather on Saturday it was good to be able to race on Sunday. The weatherman made it difficult with high winds and rough conditions, but race officials got the program in just the same.

BCI crews had some great, some good, and some poor performances against many of the crews we will see in 3 weeks time at the National regatta.

The BCI Senior Women's 4+ of, Rachel Mulcahy, Liz Hess, Christine Allingham, Chelsea Good and coxie Pat Laforty led from wire to wire to out class all others in winning the Senior Women's 4+ event. Likewise the Junior Women's 59kg. 8+ continued their strong season with a convincing win in their event as well. Crewmembers are Breanne McMurray, Andrea Kolbe, Jessica Rodley, Briaane Guerin, Meaghan Pardy, Beth Platts, Sydnee Kelly, Heather Earle and coxie Kate Evely.

The Jr. Women's 63kg and Senior Men's 72kg coxed fours both finished third in their respective races. Good results for both crews.

The Senior Men's 4+ had a poor outing in the final and struggled to a sixth place finish.

The Junior Men's 2x and the Senior Men's 2- failed to qualify for the finals. Coaches will now have some decisions to make regarding Schoolboy entries, which close on Wednesday.
